

Welcome Home Donation Drive

You—the Anchorage community—are invited to join Calista & Subsidiary Employees to donate household items to families and individuals transitioning from homelessness.

Did you know?

Over 1,000 people experience homelessness in Anchorage on any given night. **Path To Independence (P2I)** is just one program helping people find safe housing. But beating homelessness doesn't stop at move-in. Many of our community members are moving into completely empty housing units. **With your help, we can start turning houses into homes. This provides a path out of homelessness and into a home.**

P2I is a pilot program housing individuals and families experiencing homelessness in Anchorage. **Calista Corporation is one of many funding partners.** The program is organized and operated by Cook Inlet Housing Authority, Weidner Apartment Homes, and Catholic Social Services.

Welcome Home Baskets

Calista will match your donations to Welcome Home Baskets!

With Calista's donation match, your simple donation of a toothbrush, a towel, or even a complete basket, will go twice as far in providing a family in Anchorage with the means to get back on their feet and in their own home.
