Senior Community Service Employment Program (SCSEP) National Grants for Program Year 2020	Business	ETA	\$50,000,000	\$1,600,000	\$312,000,000	15-Jun-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326677	Program participants receive paid work experience at local public or non-profit agencies and are paid the higher of the Federal, State, or local minimum wage; or the most nearly comparable wage for similar employment; for approximately 20 hours per week while in community service assignments and other job training (OAA Amendments § 502(b)(1)(J); 20 CFR 641.565(a)). The dual goals of the program are to promote useful opportunities through work experience training in community service activities and to move SCSEP participants into unsubsidized employment.
National Tribal Broadband Feasibility Study Funding Grant (NTBG)	Broadband	BIA	\$50,000	\$40,000	\$1,200,000	15-Jun-2020	https://www.grants.gov/web/grants/search-grants.html	Grants to tribes for assessment of broadband services.
Telehealth Network Grant Program	Broadband	HRSA	\$300,000	\$0	\$8,700,000	15-Jun-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=315882	The funding opportunity is aimed towards promoting rural tele-emergency services with an emphasis on tele-stroke, tele-behavioral health, and Tele-Emergency Medical Services (Tele-EMS). This will be achieved by enhancing telehealth networks to deliver 24-hour Emergency Department (ED) consultation services via telehealth to rural providers without emergency care specialists.
Novel, High-Impact Studies Evaluating Health System and Healthcare Professional Responsiveness to COVID-19	Health	AHCRQ	N/A	N/A	N/A	15-Jun-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326194	AHRQ is interested in funding critical research focused on evaluating topics such as effects on quality, safety, and value of health system response to COVID-19; the role of primary care practices and professionals during the COVID-19 epidemic.
National Tribal Toxics Council (NTTC) Technical Support	Health	EPA	\$80,000	N/A	\$80,000	15-Jun-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326584	EPA's Office of Pollution Prevention and Toxics (OPPT) is announcing a five year assistance agreement to eligible applicants (see Section III.A.) to provide technical support to OPPT's National Tribal Toxics Council (NTTC) in order to: 1) Represent tribal interests in the development and implementation of chemical risk assessment, risk management and pollution prevention programs; and 2) Facilitate tribal collaboration with EPA.
Rural Telementoring Training Center	Health	HRSA	\$1,000,000	\$0	\$1,000,000	16-Jun-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=324245	The purpose of this program is to train academic medical centers and other centers of excellence (COEs) to create or expand technology-enabled collaborative learning and capacity building models (such as Project ECHO, ECHO-like models, and other emerging models in the field). The RTTC will develop and share freely accessible tools and resources that are adaptable to culturally and regionally diverse populations to provide training nationwide to facilitate the dissemination of best practice specialty care to primary care providers and care teams in rural and underserved areas.
National Center on Health, Behavioral Health, and Safety Grant	Health	OHS	\$7,582,500	\$7,582,500	\$7,582,500	22-Jun-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326173	Competitive award for the purpose of operating a National Center on Health, Behavioral Health, and Safety.
Clinical Trial Award for Emerging Viral Diseases and Respiratory Health	Health	USAMRAA	N/A	N/A	\$30,000,000	22-Jun-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326173	The PRMRP Clinical Trial Award supports the rapid implementation of clinical trials with the potential to have a significant impact in one or more of the Focus Areas published in this funding opportunity for the FY20 PRMRP Congressionally specified Topic Areas of Emerging Viral Diseases and Respiratory Health.
Telehealth Focused Rural Health Research Center Program	Health	HRSA	\$950,000	\$0	\$1,900,000	1-Jul-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=324227	This NOFO will fund two Telehealth Focused Rural Health Research Centers, one evaluation-focused and one evidence-focused. The purpose of the evaluation-focused TF RHRC is to conduct and maintain a thorough and comprehensive evaluation of nationwide telehealth investments in rural areas and populations.

Region XI American Indian Alaska Native (AI/AN) Collaboration Office Grant	Health	HHS-OHS	\$350,000	\$350,000	\$350,000	7-Jul-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326521	Funds are to enhance coordination and collaboration between the Office of Head Start (OHS) Region XI AIAN Office, the OHS Training and Technical Assistance system, Head Start grantees, other providers of early care and education, as well as other stakeholders that provide services related to the development and learning of low-income children and families and the staff that work with them.
Distance Learning and Telemedicine Grant Program	Broadband	USDA	\$1,000,000	\$50,000	\$25,000,000	13-Jul-2020	https://www.rd.usda.gov/programs-services/distance-learning-telemedicine-grants	Funds can be used to: acquire capital assets (e.g. broadband transmission facilities, interactive equipment, data terminal equipment, computer hardware, network components, software, etc.), instructional programming, and technical assistance for using eligible equipment. 15% non-federal match requirement.
Higher Education Emergency Relief Fund-Tribally Control Colleges and Universities	Youth	DOE	N/A	N/A	N/A	1-Aug-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326634	The CARES Act Higher Education Emergency Relief Fund-IHE/Student Aid provides funding to institutions to provide emergency financial aid grants to students whose lives have been disrupted, many of whom are facing financial challenges and struggling to make ends meet. Students cannot apply for assistance directly from the U.S. Department of Education but should contact their institutions for further information and guidance. Institutions have the responsibility of determining how grants will be distributed to students, how the amount of each student grant is calculated, and the development of any instructions or directions that are provided to students about the grant.
Long-Term Effects of Disasters on Health Care Systems Serving Health Disparity	Health	NIH	N/A	N/A	N/A	7-Sep-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326457	Funds are to be used for an investigative and collaborative research focused study on understanding the long-term effects of natural and/or human-made disasters on health care systems serving health disparity populations in communities in the U.S., including the U.S. territories. NIH-designated health disparity populations include racial and ethnic minorities (American Indians/Alaska Natives).
Guidelines for Women's Preventive Services	Health	HRSA	N/A	N/A	\$950,000	5-Oct-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326601	The purpose of this project is to improve adult women's health across the lifespan by engaging a coalition of health professional organizations to recommend updates to the HRSA-supported Women's Preventive Services Guidelines.
Healthy Tomorrows Partnership for Children Program	Health	HRSA	N/A	N/A	\$400,000	6-Oct-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326600	<i>This is a Forecasted Opportunity.</i> The purpose of this program is to promote access to health care for children, youth and their families nationwide, and employ preventive health strategies through innovative community-based programs. This program supports HRSA's goals to improve access to quality health care and services, to build healthy communities, and to improve health equity.
Rural Health Network Development Planning Program	Health	HRSA	N/A	N/A	\$2,000,000	16-Nov-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326598	<i>This is a Forecasted Opportunity.</i> The purpose of the Network Planning program is to assist in the development of an integrated health care network, specifically network participants who do not have a history of formal collaborative efforts in order to: (i) achieve efficiencies; (ii) expand access to, coordinate, and improve the quality of essential health care services; and (iii) strengthen the rural health care system as a whole.

Rural Health Research Dissemination	Health	HRSA	N/A	N/A	N/A	17-Nov-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326574	This is a Forecasted Opportunity. The purpose of the Rural Health Research Dissemination is to disseminate and market rural health services research funded by the Federal Office of Rural Health Policy (FORHP) to diverse audiences, such as decision makers and rural stakeholders at national, state, and community levels, with the goal of informing and raising awareness of key policy issues important to rural communities. FORHP primarily funds health services research through our Rural Health Research Center (RHRC) cooperative agreement. The successful applicant for this program will develop and maintain a website which includes the entire body of research funded by FORHP and allows that research to be easily and freely accessible to the public.
Rural Health Care Services Outreach Program	Health	HRSA	N/A	N/A	N/A	1-Dec-2020	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326599	This is a Forecasted Opportunity. The Outreach Program is a community-based grant program aimed towards promoting rural health care services by enhancing health care delivery in rural communities. Outreach projects focus on the improvement of access to services, strategies for adapting to changes in the health care environment, and overall enrichment of the respective community's health.
Paycheck Protection Program	Business	SBA	N/A	N/A	N/A	Rolling Basis	https://www.sba.gov/funding-programs/loans/coronavirus-relief-options/paycheck-protection-program-ppp	Program coverage ends 31-Dec-2020. Payroll costs are capped at \$100,000 on an annualized basis for each employee. It is anticipated that not more than 25% of the forgiven amount may be for non-payroll costs. Must have less than 500 employees within in a 12 month span. Does not matter if they are full or part-time. New guidance allows for PPP to be used for tribal gaming operations that employ
EIDL grants	Business	SBA	N/A	N/A	N/A	Rolling Basis	https://www.sba.gov/funding-programs/loans/coronavirus-relief-options/economic-injury-disaster-loan-emergency-advance	Can request a \$10,000 advance. The loan advance will not have to be repaid. Must meet SBA's industry size standards.
NCAI Disaster Relief Microgrant	Emergency Management	NCAI	\$10,000	N/A	\$70,000	Rolling Basis	http://www.ncai.org/NCAI_Disaster_Relief_Microgrant_Mission_Statement.pdf	Application window ends when the funding has been exhausted. The NCAI Disaster Relief Microgrants are shaped to flexibly cover the needs of tribal nations and/or tribal citizens (who live near their nations) that have been impacted by recent natural disasters. While microgrant funds cannot be used to cover the wages of tribal employees or administrative costs, they can be used to repair or recover property damaged during a natural disaster that has occurred within the last 180 days.
Upcoming Action to Provide Funding to Tribes for COVID-19 Response	Health	CDC	N/A	N/A	\$80,000,000	N/A	https://www.hhs.gov/about/news/2020/03/20/hhs-announces-upcoming-action-to-provide-funding-to-tribes-for-covid-19-response.html	This is a Forecasted Opportunity. Issue a new non-competitive grant Notice of Funding Opportunity to reach all Title I and Title V tribes that are eligible to apply for a Federal grant.

Competitive Revision Supplements to Existing AHRQ Grants and Cooperative Agreements to Evaluate Health System and Healthcare Professional Responsiveness to COVID-19	Health	AHRQ	N/A	N/A	N/A	N/A	https://www.grants.gov/web/grants/view-opportunity.html?oppld=326193	<p><i>This is a Forecasted Opportunity.</i></p> <p>Estimated award date: September 30, 2020.</p>
FY 2020 EDA Public Works and Economic Adjustment Assistance Programs including CARES Act Funding	Business	EDA	\$30,000,000	\$100,000	N/A	Rolling Basis	https://www.grants.gov/web/grants/view-opportunity.html?oppld=321695	<p>EDA provides investments that support construction, non-construction, technical assistance, and revolving loan fund projects under EDA's Public Works and EAA programs. Grants and cooperative agreements made under these programs are designed to leverage existing regional assets and support the implementation of economic development strategies that advance new ideas and creative approaches to advance economic prosperity in distressed communities.</p>
